## Papers

**ALLY, Mustafa A., KORONIOS, Andy, LANE, Michael, BROWN, Noel, and BULL, Tania**

Criteria For Evaluating Commercial Off-The-Shelf E-Commerce Software Packages

**BENNETTS, Peter D. C., and WOOD-HARPER, A. Trevor**

A Model of Software Process Improvement from a Systemic Perspective

**BOKHARI, Rahat H., and PAUL, Ray J.**

Users' Unrealistic Expectations: Emergence Causes and Effects

**BRAITHWAITE, Richard, CASTLEMAN, Tanya, and HARMAN, Peter**

Developments in Australian Copyright Law: Implications for the Internet

**BROOK, Phil**

Managing IS Development Projects Using a Generalised Set of Scorecard Perspectives

**BRYANT, Kay**

Information Systems Education: The Effectiveness Of Using Web Technology

**BULL, Helen, and STANDING, Craig**

Business Models and Electronic Commerce in the Travel Industry

**BURN, Janice**

Strategies for E-Business in a Global Economy – A Framework for Managing Change

**BUSCH, Peter Anthony, and RICHARDS, Debbie**

Measurement of Articulate Tacit Knowledge using Formal Concept Analysis

**BYRNE, B.K., and WOOD-HARPER, A.T.**

Community Regeneration and ICT: Is This the Answer?

**CAO, Patrick P., and BURSTEIN, Frada V.**

An Empirical Study Of Influences Of The Coordination Modes In Supporting Group Multiple-Criteria Decision-Making

**CARROLL, Jennie**

Examining Methodology Adoption and Use: Building Understanding from Process Research

**CATER-STEEL, Aileen, and AH-FOCK, Stephano**

Reuse: Can it Deliver Competitive Performance?

**CECEZ-KECMANOVIC, Dubravka, and DALMARIS, Peter**

Knowledge Mapping as Sensemaking in Organisations

**CECEZ-KECMANOVIC, Dubravka, and JANSON, Marius**  
The Rationality Potential of Information Systems: A Critical Approach

**CHAMBERS, Todd A., and PARKER, Craig M.**  
Factors Motivating and Inhibiting the use of Web Commerce by Rural Small Businesses

**CHANG, She-I, GABLE, Guy, SMYTHE, Errol, and TIMBRELL, Greg**  
Methods for Distilling IS Key Issues Using a Delphi Approach

**CHAU, Stephen, and PEDERSEN, Stewart**  
Small is Beautiful: The Emergence of New Micro Businesses Utilising Electronic Commerce

**CHEN, Changgui, and ZHOU, Wanlei**  
Building Distributed Applications Using the Reactive Approach

**COCKCROFT, Sophie, and ELSTON, Kaine**  
The Missing Link: Improving General Practice Information Through Changes to the Medical System Interface

**COLEBATCH, Heath, HORROCKS, Sam, METCALFE, Mike, and SMITH, Jeff**  
Executive Modes of Informing – An Empirical Study

**COULTHARD, D., CASTLEMAN, T., and HEWETT, B.**  
Riding On The Internet's Back: Can Rural Communities Use Information Technologies For Economic Development?

**CRAGG, Paul B., and MITCHELL, Ed**  
Benchmarking IT Practices in Small Firms

**DAS, Amit, DAS, Shobha S., NEO, Boon-Siong, and SOH, Christina**  
More Bang From The IT Buck - The Singapore Experience

**DE PABLOS, Carmen, ALBARRÁN, Irene, and JUAN CARLOS, Rey**  
Using electronic mail in the University Environment

**DERAY, Kristine**  
“Through Plane”: A Kinetic Model for Information Retrieval

**DIXON, Mark, and BAUER, Christian**  
Towards a Generic Model of Electronic International Trade Systems

**DWYER, Barry**  
The Fragility of System Organisation

**EAST, Colin, and BANKS, David A.**  
Development Strategies for Information Systems in Rapidly Changing Environments: a Novel Developmental Approach for a Council System

**ENNS, Harvey G., HUFF, Sid L., GOLDEN, Brian R., and IVEY, Richard**  
How CIOs Obtain Peer Commitment to Strategic IS Proposals: Barriers & Facilitators

**FINNIE, Gavin, RUDOLPH, Eberhard, and WITTIG, Gerhard**

Using Standard Cases and Pairwise Comparison to Assess the Validity of Software Size Metrics

**FISHER, Julie, CRAIG, Annemieke, and BENTLEY, John**

A Comparison of Business Owner and User Evaluations of Web Sites

**FISHER, Julie**

User Satisfaction and System Success: Considering the Development Team

**FONG, Michelle W. L.**

Technological Leapfrogging by the Chinese Banks in the People's Republic of China.

**GREEN, Peter, and ROSEMAN, Michael**

Ontological Analysis of Integrated Process Modeling: Some Initial Insights

**HOLAHAN, Patricia J., ARONSON, Zvi, JURKAT, M. Peter, HOWE, Wesley J., and SCHOORMAN, F. David**

Implementing New Technology: A Multiorganizational Study of Implementation Effectiveness

**HORTON, K.S., JAYARATNA, N., and WOOD-HARPER, A.T.**

Information Systems Strategy Formation in a UK Police Force: Re-Conceptualising The Exercise Of Power

**HOULIHAN, P.J., SMITH, R., and WATSON, R.B.**

Knowledge Representation within Soft Systems Methodology: Some Observations on the Application of Nonmonotonic Logic to Soft System Methodologies Models

**HUANG, Chen-Chung, and SHIH, Sheng-Bao**

A Case Study of Electronic Business Mall Selling Vegetables and Fruits in Taiwan

**HUISMAN, Magda, and IIVARI, Juhani**

Perceptual Congruence In The Deployment Of Systems Development Methodologies

**JOHNSTONE, Michael N., MCDERMID, Donald C., and VENABLE, John R.**

Teaching a New Dog Old Tricks: Modelling Electronic Commerce with Business Rules

**KANKANHALLI, Atreyi, TAN, Bernard, and WEI, Kwok-Kee**

Technology, Culture, and Conflict in Virtual Teams: A Case Study

**KAYED, Ahmad, and COLOMB, Robert M.**

Ontological and Conceptual Structures for Tendering Automation

**KENNEDY, Geoffrey J.**

Elementary Structures in Entity-relationship Diagrams as a Diagnostic Tool in Data Modeling and a Basis for Effort Estimation

**KHAN, Khaled Md., LO, Bruce W. N., SKRAMSTAD, Torbjorn, and KHAN, Sikander M.**

Software Maintenance Process: Tasks and Methods

**KHANDELWAL, V.K.**

An Empirical Study of Misalignment Between Australian CEOs and IT Managers

**KOSAKA, Takeshi, and SUZUKI, Shin'ichiro**

Discourse Gives Way to Situated Actions in a Japanese Company - In Search of a Research Framework of Hermeneutic Structuration –

**LANE, M. S., and KORONIOS, A.**

A Balanced Approach to Capturing User Requirements in Business-To-Consumer Web Information Systems

**LEDINGTON, P.W.J., and LEDINGTON, J.**

Towards Rethinking the Nature of ‘Soft’ Information Systems Development

**LIM, Nena**

Customers' Beliefs behind Business-to-Consumer Electronic Commerce

**LIN, Chad, and PERVAN, Graham**

Realising the Benefits of IS/IT Investments in Australian Organisations

**LOW, Ee Kuan, CAVAYE, Angèle L. M., and CATER-STEEL, Aileen**

System Development in the New Millennium: An Australian Perspective on OO Adoption

**MADSEN, Maria, and GREGOR, Shirley**

Measuring Human-Computer Trust

**MARSHALL, Peter, and MCKAY, Judy**

Rags or Riches: Ensuring Benefits from IT Investments

**MCGILL, Tanya J., HOBBS, Valerie H., and KLOBAS, Jane E.**

Testing the DeLone and McLean Model of IS Success in the User Developed Application Domain

**MCGILL, Tanya, PAYNE, Christian, BENNETT, David, CARTER, Kim, CHONG, Alex, HORNBY, Glen, and LIM, Linda**

System Quality, User Satisfaction and End User Development

**MCKAY, Judy, PRANANTO, Adi, and MARSHALL, Peter**

E-Business Maturity: the SOG-e Model

**METCALFE, Mike, and POWELL, Lisa**

Revisiting Argumentative Research Methodology

**MIDDLETON, Catherine A.**

Who Needs a ‘Killer App’? Two Perspectives on Content in Residential Broadband Networks

**MILLER, Gillian, and DAMPNEY, CNG (Kit)**

From Hardcopy to Online Information Dissemination Case Study of NSW Parliament

**MITCHELL, Geoff, and HOPE, Beverley**

What is Flexible Learning? Lessons for Educational Technology

**MONDAY, Ann, and RUDGE, Jamie**

Email Use And Abuse – A Case Study At An Australian Winery

**MOUSSI, Cynthia, and DAVEY, Bill**

Internet-based Electronic Commerce: Perceived Benefits and Inhibitors

**NEIL, Tracey, and YOONG, Pak**

Information Systems Project Management: Managing Beyond the Comfort Zone

**OWENS, Janet, and KELLER, Susan**

MultiWeb: Australian Contribution to Web Accessibility

**PALMIERI, Carmine, METCALFE, Mike, and LYNCH, Maureen**

E-Commerce in the Public Service: Saving Postage or Reforming Governance?

**PEDERSEN, Stewart, and CHAU, Stephen**

Electronic Procurement Systems: Application and Improvement

**PITT, Leyland, EWING, Mike, DE BUSSY, Nigel, MURGOLO-POORE, Marie, and BREWER, Mare Lise**

IS and Marketing: How The Internet Reinvents Communication Management

**POTGER, Richard, and PERVAN, Graham**

A Survey of Public Sector Information Resource Management in Australia

**PROCTER, Chris, and SYMONDS, Judith**

Designing for Web Site Usability

**RATNASINGAM, Pauline, and KUMAR, Kuldeep**

The Importance of Inter-Organizational-Trust in Business to Business E-Commerce Participation – Case Studies in New Zealand

**RICHARDS, Debbie**

Negotiating a Shared Conceptual Model Using Groupware

**RICHARDS, Debbie**

A Process Model for Requirements Elicitation

**ROBERTS, David**

Software Upgrade: Will They Buy it?

**ROMM, Celia, and TAYLOR, Wal**

Promoting Demand and Supply for it Products and Services in Communities - A Strategic Model

**ROMM, Celia, and TAYLOR, Wal**

On-line Education: Can We Combine Efficiency with Quality?

**ROSEMANN, Michael, SEDERA, Wasana, and SEDERA, Darshana**

Industry-oriented Education in Enterprise Systems

**SANDY, Geoffrey A.**

Acceptable Use Policies for Networked Services: Australian Universities

**SCHARL, Arno, and BAUER, Christian**

Supplemental Navigational Systems: The Emergence of Interactive Visual Components

**SINGH, Mohini, VENABLES, Anne, and SCOLLARY, Angela**

Managing Customer Relations in Electronic Business

**SØREBØ, Øystein, CHRISTENSEN, Gunnar E., and EIKEBROKK, Tom R.**

Core Activities in End-User Computing: An Empirical Investigation of Content and Relationship to Job Performance

**SRIVIHOK, Anongnart, HO, Robert, and BURSTEIN, Frada**

An Instrument For Web Measurement: End User Evaluation Of Web Application Effectiveness

**STANDING, Craig, and KRISHNASWAMY, Girija**

Approaches to Managing the Web Site Resource

**STEWART, Glenn**

Contrasting IT and Business Managers' Perceptions of Leadership

**THOMPSON, J. Barrie, STOREY, Andrew, and GREEN, Caron**

Factors that Promote Trust In Electronic Commerce A Work in Progress Report

**TRAUTH, Eileen M., NIELSEN, Susan H., and VON HELLENS, Liisa A.**

Explaining the IT Gender Gap: Australian Stories

**VAN AKKEREN, Jeanette, and HARKER, Debra**

Mobile Data Technologies and SME Adoption and Diffusion: An Empirical Study on Barriers and Facilitators

**VON HELLENS, Liisa, WONG, Sharon, and ORR, Jo**

IT Skill Requirements: Perspectives from Industry

**WARREN, Shona, HUTCHINSON, William, and WARREN, Matthew**

Healthcare IT Security: Can the European Union experiences assist Australia

**WATTS, Diane, and METCALFE, Mike**

CEO's Role in IT Involved Organizational Change

**WHEELER, Shirley**

Relevance of a Moral Minimum to Information Systems

**WHIDDETT, Richard, HUNTER, Inga, and HANDY, Jocelyn**

Towards a Successful Implementation of Inter-organisational Electronic Medical Records

**WINKLHOFER, Heidemarie**

An Exploration of the Effects of Organizational Change on the Development, Implementation and Operation of Information Systems

**YOUNG, Leslie W., and JOHNSTON, Robert B.**

A New Transaction Cost Analysis of Disintermediation and Illustrative Case

## **Panel Proposal**

**ATKINS, Clare, FENNESSY, Gabby, LOUW, Gail, MOODY, Daniel, and SHANKS, Graeme**

Evidence Based Information Systems: Bridging the Gap Between Research and Practice

**GREEN, Peter, MILTON, Simon, COLOMB, Robert, and DAMPNEY, Kit**

Foundations of Information Systems

**LEDERER-ANTONUCCI, Yvonne, CLARK, Rob, STEWART, Glenn, TURNBULL, Chris, and WATSON, Ed**

Perspectives on The Future Use of ERP Software

**MOODY, Daniel, GREGOR, Shirley, JOHNSTON, Robert, O'CONNOR, Marcus, PATRICK, Jon, and VITALE, Mike**

Research Collaboration between IS Research and Industry: Can it work?

**SCOLLARY, Angela, BURN, Janice, GRANT, Peter, GRAY, Carmel, GREGOR, Shirley, KORONIOS, Andy, and PUTTICK, John**

Curriculum Matters in Information Systems

**WINTER, Robert, O'BRIEN, Paul, ROBERTS, Alan, and SLAYFORD, Ray**

E-Commerce and Marketplaces
